Application of Kentucky Utilities Company for a Certificate of Public Convenience and Necessity Authorizing KU to Bid on a Franchise Established by the City of Science Hill

Dear Mr. DeRouen:

October 21, 2009

Enclosed please find an original and 10 copies of an Application for a Certificate of Public Convenience and Necessity ("CCN"), to enable Kentucky Utilities Company (the "Company") to apply for an electric franchise with the City of Science Hill (the "City") pursuant to KRS 278.020(4). In a regular session held on October 6, 2009, the City Council of Science Hill, Kentucky passed Ordinance No. 09-01-09, which directed the advertising for bids and selling of an electric franchise in the City. We respectfully ask for an order granting the CCN by October 30, 2009 to enable KU to bid on the franchise on the sale date of November 3, 2009.

For many years, the Company has been the owner of a franchise granted by the City to erect facilities for providing electric service to the City and the inhabitants thereof. The franchise to be obtained will replace the previous franchise.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

Allyson K. Sturgeon
